

PENTECOST I.T GUILD

**Becoming A  
Christ-like IT  
Professional  
with a class**

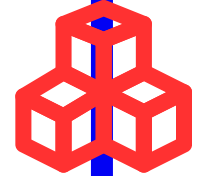

# Our Objectives

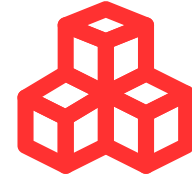

- Inspire and guide IT students / professionals on their journey towards professional success
- Understanding the role of the IT Guild in mentoring and supporting the next generation IT professional of the Church of Pentecost and beyond.

# What Does It Mean to Be Christ-Like?

## Compassion

Compassion drives us to create technologies that improve lives, especially for the marginalized and underserved.

## Integrity

Integrity means doing the right thing, even when no one is watching, ensuring your actions align with your faith.

## Service

True service is about using your IT skills to uplift others, reflecting Christ's selflessness in all you do.

## Humility

Humility is recognizing that every achievement is a gift from God and placing others' needs above your own

# Why IT Professionals Need Christ-Like Values

## Challenges in IT

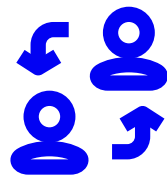

01

### Ethical dilemmas

Navigating issues like data privacy and cybersecurity responsibly.

02

### Work-life balance

Managing demanding schedules while nurturing spiritual growth.

03

### Integrity

Facing temptations to compromise values for profit or shortcuts

04

### Rapid change

Keeping up with fast-evolving technology while staying grounded in timeless principles.

# Biblical Principles for IT Professionals

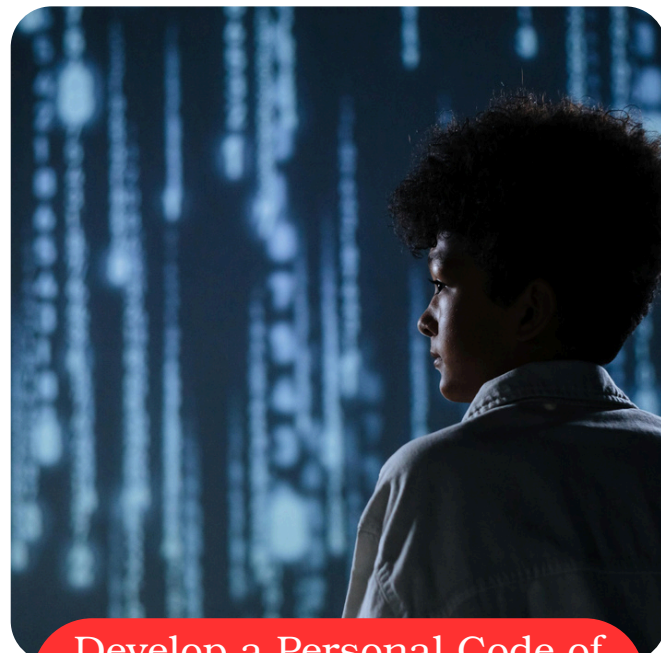

- **Integrity:** Proverbs 11:3 – "The integrity of the upright guides them."
- **Diligence:** Colossians 3:23 – "Work with all your heart as working for the Lord."
- **Wisdom:** James 1:5 – "If any of you lacks wisdom, you should ask God."

*Philippians 4:13*

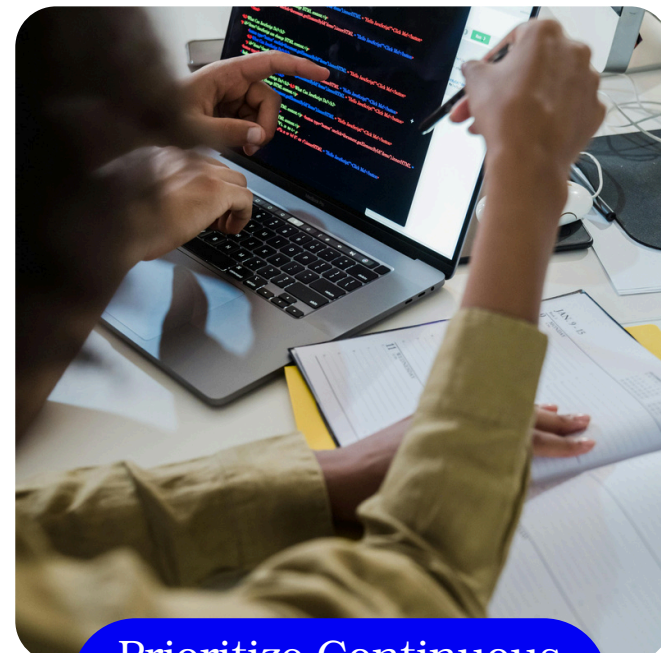

# Practical Tips for IT Professionals

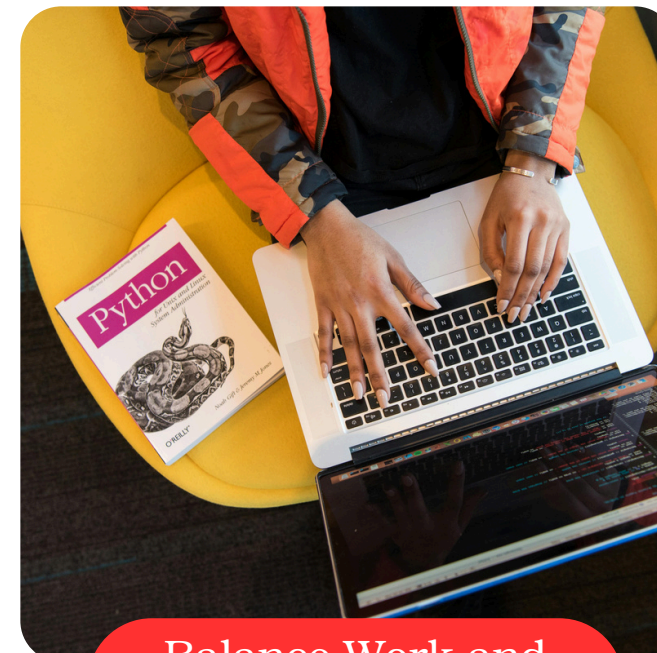

## Develop a Personal Code of Ethics

Define clear boundaries for ethical decision-making, such as prioritizing user privacy and avoiding dishonest practices.

## Prioritize Continuous Learning

Stay updated with the latest trends and technologies to remain competent and deliver high-quality work.

## Balance Work and Relationships

Set boundaries to avoid burnout, spend time with loved ones, and participate in community or faith activities.

## Seek Mentorship and Mentor Others

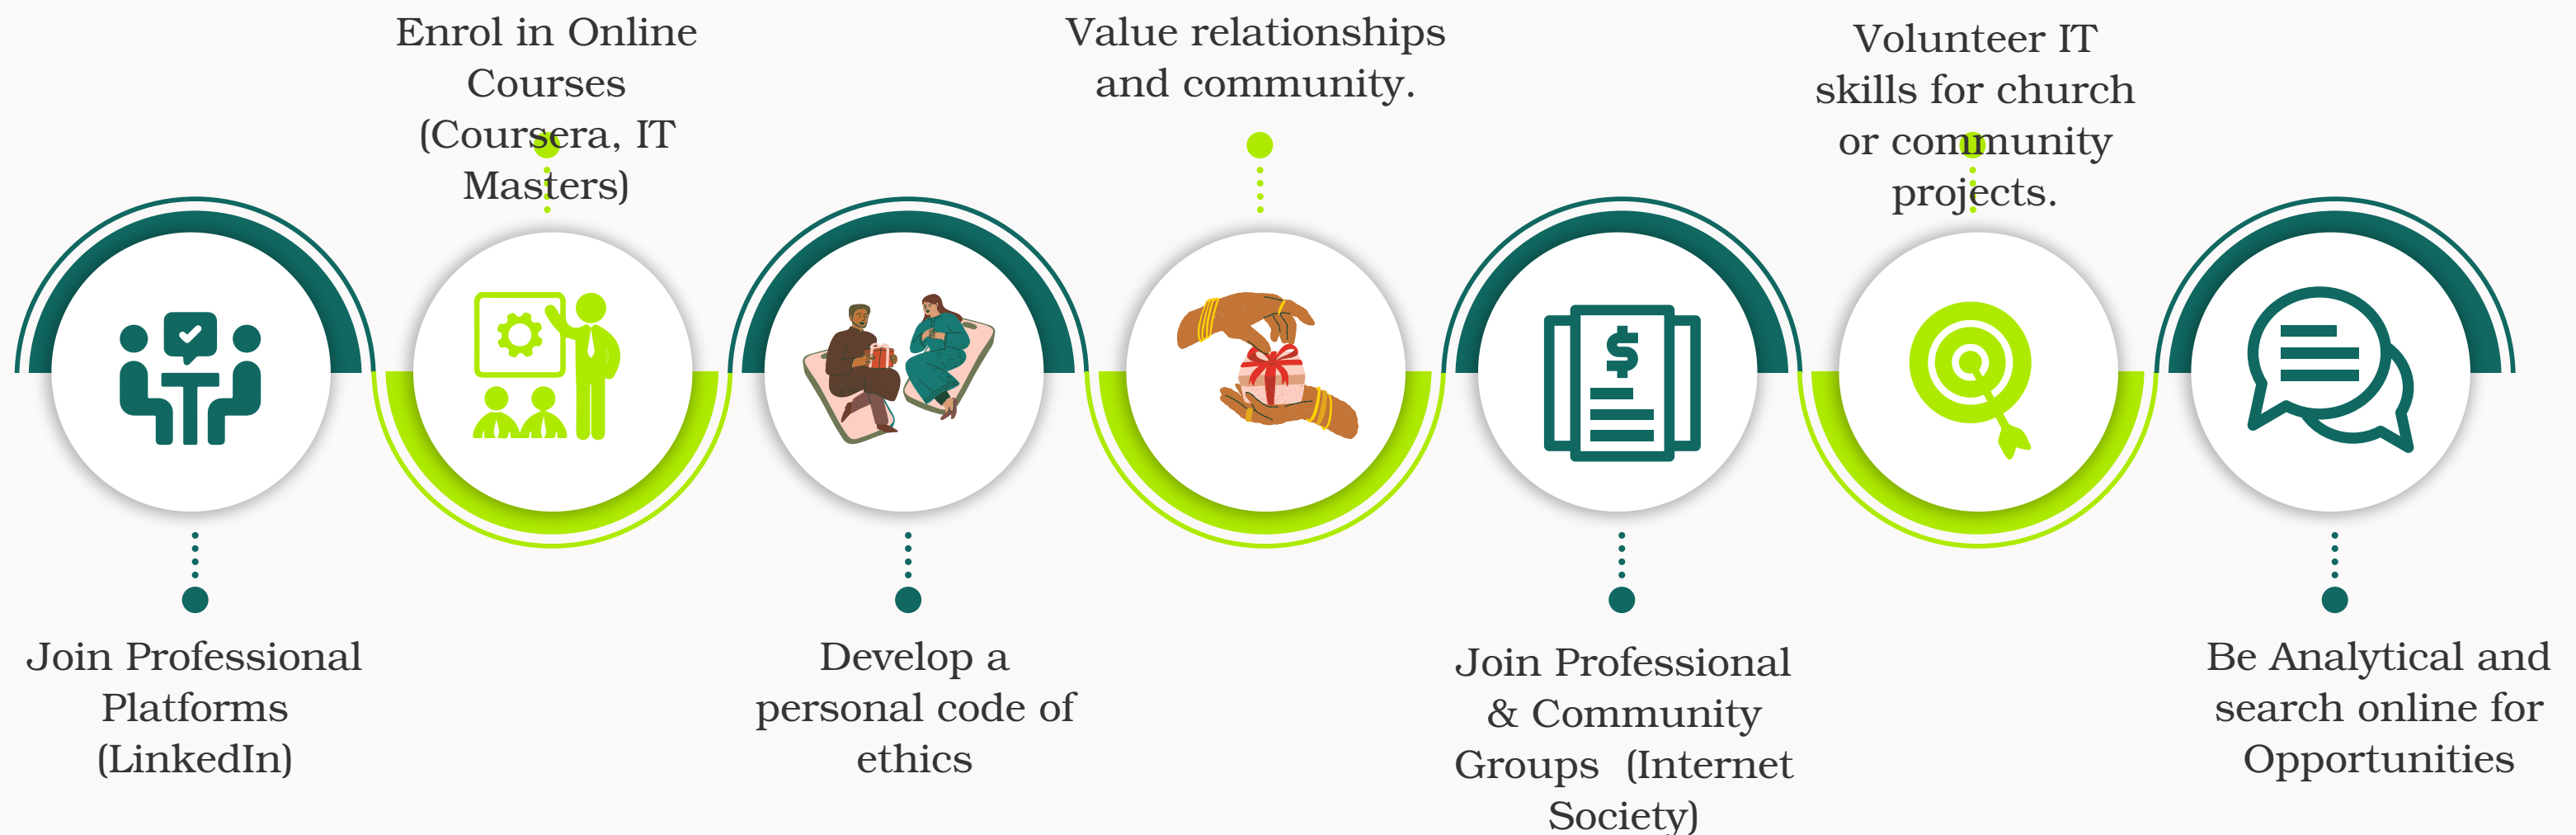

Learn from experienced professionals and share your knowledge to guide and inspire the next generation.

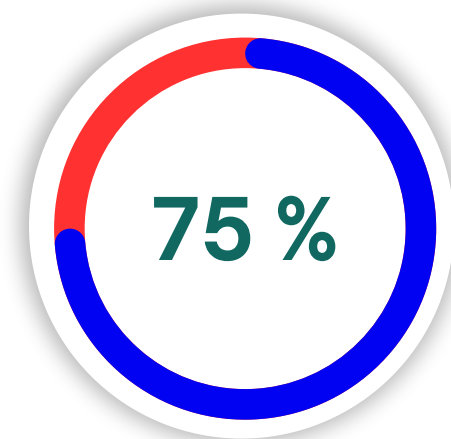

# Successful Steps Guide

As young IT professionals and students, prioritize developing a strong personal code of ethics to guide your decisions, ensuring integrity and accountability in all you do. Embrace continuous learning to stay relevant in the fast-evolving tech industry and provide innovative solutions. Strive for a healthy work-life balance by setting priorities, dedicating time to family, faith, and personal well-being.

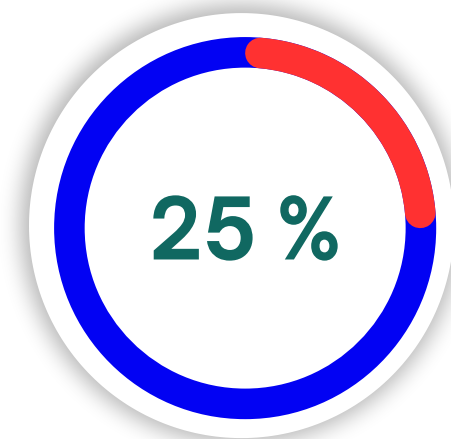

# Final Action, We need you.

We look forward to seeing how you will positively impact the IT industry. Stay inspired, stay ethical, and stay Christ-centered!
